

# Lake Nona High School PTSA

2018 - 2019 Membership Form

**Mission:** To help our students succeed by building strong community partnerships, supporting teachers and staff, and providing opportunities for students to make college and career connections. The PTSA invites you to help us to make a difference at our school. **Your involvement is important! Even if you are unable to actively participate, your membership helps support our efforts!**

### Faculty/Staff Appreciation

LNHS PTSA provides monthly "treats" for LNHS staff at Faculty Meetings. We also support teachers at pre-planning and "Staff Appreciation Week".

### Senior Scholarships

LNHS PTSA provides scholarships of up to \$500 to seniors based on their application. In 2017 and 2018 we 4 LNHS students earned scholarships. All seniors who are PTSA members may apply. Details are provided through Guidance/Student Services in January/February.

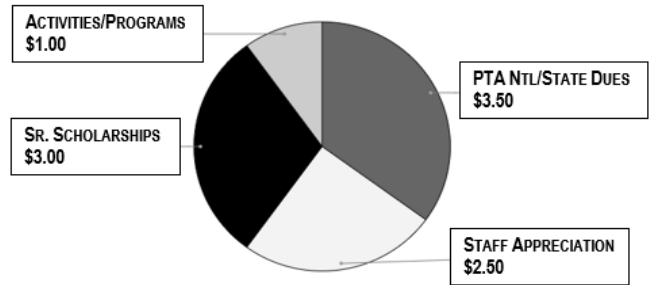

### Student Recognition

At least once per year, students who have high achievement in S.T.E.M. (Science, Technology, Engineering, and Math) or other studies are honored.

### Other Programs/Activities

LNHS PTSA has supported many other school programs including Student Government, Science Fair, Spirit activities, and support for community members in need.
